**History-**In 1947, the Delaware Association of Chiefs' of Police, an organization which was composed of active law enforcement and correctional officers, accepted the challenge to undertake a project to combat juvenile delinquency in the First State. A committee was appointed to investigate the problems confronting youth. The committee's resulting recommendations led to the establishment of Camp Barnes for the recreation of deserving youth from throughout the state.

Camp Barnes, located on Miller's Creek, a tributary of Little Assawoman Bay, has since served the needs of thousands of children from throughout Delaware. Camp Barnes was originally designed to provide the children who were unable to attend summer camp an opportunity to experience life at a summer youth camp. Camp Barnes has remained basically unchanged, providing Delaware children with these outdoor experiences for over 60 years.
